Dear Friend of Education,

As you may know, I recently filed the paperwork to run for the At-Large seat on the Maricopa County Community College District Governing Board. Thanks to your support I am now on the ballot for the November 6, 2018 election. This is where the real work begins. I have spent my life working to make a difference in the lives of those less fortunate while making sure that the Arizona taxpayers are not put at risk.

Education has always been one of my top priorities. My parents stressed the importance of a college education for me and my two sisters. My husband and I were fortunate to provide college educations for our seven children; all who were raised in Maricopa County. At one point, we had six kids in college at the same time!

The Maricopa County Community College District is the **largest** community college system in the United States with over 200,000 students. **But we're not the best!** In fact, not one of our schools ranks in the top 25 in the nation. We must and can do better!

In order for my campaign to be successful, I need a strong and well financed grassroots campaign. I can't do it alone. That is why I am turning to people like you to ask for your help.

A contribution today (go on-line to my website at www.winn4mcc.com) will help us launch our campaign. A Contribution of \$25, \$50, \$100, \$250, \$500, \$1000 or \$6,350 (the legal maximum contribution) would be greatly appreciated.

Our goal is to raise \$100,000 by Labor Day. We are at 42% of our goal as I write this letter to you.

Thanks in advance for your financial support. Together, let's make the Maricopa County Community College District not only the largest community college system in the USA, but the **best community college** district in the USA. Remember a Winn four MCC means lower tuition and lower taxes.

Vote Kathleen Winn in November!
