---

The Mesa Police Association (MPA) represents approximately 600 of the City of Mesa's sworn police officers. The MPA greatly cares about our community and the relationship our members have with our community members. We care about those who steer our communities through their leadership in the political arena.

In this regard, the MPA is happy to endorse Kathleen Winn for the Maricopa Community College Board. Kathleen has consistently shown here core positive values and morals in her work with the community. Kathleen's work in shutting down human trafficking in Mesa has led to great changes for our community. The MPA is happy to support Kathleen in her endeavors.

Sincerely,

Nate Gafvert

President, Mesa Police Association

Representing Police Officers with Professionalism, Integrity & Pride
